## Education

### University of Cincinnati, OH

College of Engineering and Applied Science  
Bachelor of Science in Computer Engineering  
Minor in Computer Science

**Class of 2021**

3.5/4.0

### Lakota East High School, OH

Honors Diploma  
National Honor Society

**Class of 2016**

3.6/4.0

## Work Experience

### Software Developer Co-op, Siemens PLM

**Jan 2018 - Present**

- Collaborated with engineering consulting team that provides specialized software solutions to customers
- Developed a web application based around SAFe Agile methodology used to track feature development per customer requirements
- Demonstrated skills in full stack development and database management
- Integrated key functionality into other web applications to provide improved experience to customers
- Programmed a microservice to help streamline and automate development processes
- Implemented role-based security to authenticate users at a project level rather than application level
- Planned new features by identifying opportunities for improvement, creating mockups, and dividing work into user stories to be handed off to developers
- Performed all levels of software testing including unit, integration, system, acceptance, and regression
- Participated in deploying 3 major releases and 30 minor releases, along with hot patches after releases

### Café/Fitness Floor Attendant, Mason Community Center

**May 2017 - Aug 2017**

- Managed cash register and fulfilled food orders
- Improved touch screen display menu used to take food orders

### Courtesy Clerk, The Kroger Company

**Sept 2015 - Aug 2016**

- Assisted in bagging groceries, stocking shelves, and store cleaning
- Received customer recognition award for superior service based on survey feedback
